Power Sources

To use the AC power adaptor (C) 1 Connect the AC power adaptor to an AC outlet

To use the batteries (E)

Use only the following batteries for your CD player

Rechargeable batteries Charge the rechargeable batteries before using them for the first time.

 NH-7WMAA (supplied) • NH-WM2AA (NH-WMAA \times 2) (not supplied)

Dry batteries LR6 (size AA) alkaline batteries

To insert the batteries

1 Open the battery compartment lid inside your CD player.

2 Insert the \ominus end of two batteries, then matching the \oplus to the diagram in the battery compartment insert the other end. Then, close the lid until it clicks into place.

3 When using the rechargeable batteries, connect the AC power adaptor to the DC IN 4.5 V jack of your CD player and an AC outlet, then press CHARGE/ to start charging. The CD player charges the batteries. In the display on the remote control, "Charging" flashes and the indicator sections of **week** light up in succession The CHARGE lamp on the CD player turns on. When the batteries are completely charged, the CHARGE lamp and (122) indicator get turned off. If you press CHARGE/■ after the charge has already been completed, the (122) indicator flashes and "FULL" appears in the display.

4 Disconnect the AC power adaptor

- Trade Name: SONY Model No.: D-FJ787 Responsible Party: Sony Electronics Inc. Address: 680 Kinderkamack Road, Oradell, NJ 07649 USA Telephone No.: 201-930-6972 This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference eceived, including interference that may cause ndesired operation

Notes on the rechargeable batteries

- To keep the original battery capacity for a long time charge the batteries only when they are completely depleted.
- If the battery is new or has not been used for a long time, it may not be charged completely until you charge and discharge it several times.
- · When carrying the rechargeable batteries, use the supplied battery carrying case to prevent unexpected heat. If the rechargeable batteries and the metallic objects get contacted, heat or fire may occur due to a short circuit.

Notes on using the dry batteries

Be sure to remove the AC power adaptor.When the batteries are depleted, replace both batteries

CD Player

Playing a CD

To insert a CD

1 Slide OPEN to open the lid (**A**). **2** Fit the CD to the pivot, then close the lid (**D**).

Notes

- This CD player can play CD-Rs/CD-RWs recorded in the Compact Disc Digital Audio (Audio CD) format, but playback capability may vary depending on the quality of the disc and the condition of the recording device
- This product is designed to playback discs that conform to the Compact Disc (CD) standard. Recently, various music discs encoded with copyright protection technologies are marketed by some record companies. Please be aware that among those discs, there are some that do not conform to the CD standard and may not be playable by this product.

To operate the CD player

To operate the CD player			
Button/Switch	Function/Operation		
1 Jog lever►II (play/pause)	Press to start play. Press again to pause play. To play from the first track, press for 2 seconds or more while the CD player is stopped.		
2 Jog lever I◀◀/▶►I (AMS* ¹ /search)	Flick toward I I once to find the beginning of the current/ next track. Flick toward I or >> repeatedly to find the beginning of the previous/ succeeding tracks. Hold toward II og backward/ forward quickly.

To turn on the beep sound Remove the power source and then connect the power source without pressing CHARGE/ \blacksquare or \blacksquare .

Playing your favorite tracks

by adding Bookmarks (Bookmarked track play) You can add Bookmarks to up to 99 tracks for each CD. You can use this function for up to 10 CDs.

To add Bookmarks

- **1** During playback of the track where you want to add a Bookmark, press and hold the jog lever until " When the Bookmark has been added successfully, flashing of "
- **2** Repeat step 1 to add Bookmarks to the tracks you

To listen to the tracks with **Bookmarks**

- 1 Press P MODE/ ← repeatedly until " flashes 2 Press the jog lever.
- "" " lights up in the display and the playback of the tracks with Bookmarks starts.

To remove the Bookmarks

During playback of the track with a Bookmark, press and hold the jog lever until "

To check the tracks with Bookmarks During playback of the tracks with Bookmarks, " keeps flashing slowly in the display.

Notes

- · During playback of the tracks with Bookmarks, tracks are played in order of track number, and not in the order you added the Bookmarks.
- If you try to add Bookmarks to the tracks on the 11th CD, the Bookmarks of the CD you played back first will be erased.
- If you remove all power sources, all Bookmarks stored in memory will be erased.
- If you continue playing the CD player on the rechargeable batteries without charging the batteries even though "Lobatt" is displayed, all Bookmarks stored in memory will be erased.

Playing tracks in your favorite order (PGM play)

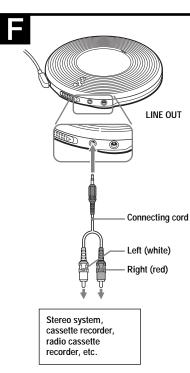

- You can program the CD player to play up to 64 tracks in your favorite order.
- **1** During playback, press P MODE/ repeatedly until "PGM" appears.
- track.
- **3** Press the jog lever to enter the selected track. "000" appears and the playing order increases
- by one. 4 Repeat steps 2 and 3 to select the tracks in your favorite orde
- **5** Press and hold the jog lever until the PGM play starts.

To check the program

During programming: Press the jog lever repeatedly before step 5. Press P MODE/ repeatedly until "PGM" flashes, then press the jog lever repeatedly. Each time you press the jog lever, the track number

appears.

Notes • When you finish entering the 64th track in step 3, the first selected track appears in the display. If you select more than 64 tracks, the first selected tracks are erased.

Using the radio

Using the remote control, you can enjoy TV, WB (Weather band), FM and AM programs by presetting the stations or by tuning in to the stations manually. You can preset automatically scanned stations or select your favorite stations manually.

Listening to the radio

- 1 Press RADIO ON/OFF to turn on the radio. If "PRESET" is displayed, press P MODE/ to make it disappear from the display.
- **2** Press the jog lever of the remote control until the radio band you want appears. Each time you press the button, the display on the remote control changes as follows:
- \rightarrow FM \rightarrow AM \rightarrow TV \rightarrow WB -**3** Flick the jog lever of the remote control toward
- TUNE + or TUNE to tune in the station you want and adjust the volume To turn off the radio

Press RADIO ON/OFF again

cord.

To tune in to a station quickly Flick and hold the jog lever toward TUNE + or TUNE – in step 3 until the frequency digits begin to change in the display. The CD player automatically scans the radio frequencies and stops when it finds a clear station

To improve broadcast reception For TV/WB/FM, extend the headphones or earpho

Headphones or earphones

Note There is a DC-DC converter attached to the headphones

When listening to an AM program, keep the remote trol away from the DC-DC converter, otherwise, noise may be heard.

If it is hard to hear an FM broadcast

Press SOUND repeatedly until "Local" appears in the display. Under the normal conditions, press SOUND repeatedly until "DX" appears in the display.

When using the connecting cord to the Ω jack If the onnect the c

cord To record high quality CD sound, set the G-PROTECTION switch to "OFF." · The SOUND function works only on the output sound from the Ω jack and not work on the output sound from the LINE OUT jack.

Precautions

On safety

 Should any solid objects or liquid fall into the CD player, unplug it and have it checked by qualified personnel before operating it any further. • Do not put any foreign objects in the DC IN 4.5 V (external power input) jack.

On power sources • When you are not using the CD player for a long time, disconnect all power sources from the CD player

On AC power adaptor Use only the AC power adaptor supplied. If your CD player is not supplied with the one, use the AC-E45HG AC power adaptor. Do not use any other AC power adaptor. It may cause a malfunction

· Do not touch the AC power adaptor with wet hands. • Connect the AC power adaptor to an easily accessible AC outlet. Should you notice an abnormality in the AC power adaptor, disconnect it from the AC outlet mmediately

On rechargeable batteries and dry batteries

Do not charge the dry batteries

- Do not throw the batteries into fire.Do not carry the batteries with coins or other metallic objects. It can generate heat if the positive and negative terminals of the battery are accidentally contacted by a
- metallic object. Do not mix rechargeable batteries with dry batteries
- Do not mix new batteries with old ones.Do not use different types of batteries together
- · When the batteries are not to be used for a long time, remove them If battery leakage occurs, wipe off any deposit in the
- battery compartment, and install new batteries. In case the deposit adheres to you, wash it off thoroughly.

On the CD player

- Keep the lens on the CD player clean and do not touch it. If you do so, the lens may be damaged and the CD Player will not operate properly.Do not put any heavy object on top of the CD player. The CD player and the CD may be damaged.
- Do not leave the CD player in a location near heat sources, or in a place subject to direct sunlight, excessive dust or sand, moisture, rain, mechanical
- shock, unleveled surface, or in a car with its windows If the CD player causes interference to the radio or
- television reception, turn off the CD player or move it away from the radio or television. Discs with non-standard shapes (e.g., heart, square, star) cannot be played on this CD player. Attempting to do so may damage the CD player. Do not use such discs.

On headphones/earphones

Road safety

Do not use headphones/earphones while driving, cycling, or operating any motorized vehicle. It may create a traffic hazard and is illegal in some areas. It can also be potentially dangerous to play your headsets at high volume while walking, especially at pedestrian crossings. You should exercise extreme caution or discontinue use in entially hazardous situati

Preventing hearing damage

Avoid using headphones/earphones at high volume Hearing experts advise against continuous, loud and extended play. If you experience a ringing in your ears, reduce volume or discontinue use

Consideration for others

Keep the volume at a moderate level. This will allow you to hear outside sounds and to be considerate to the people around you.

Maintenance

To clean the casing

Use a soft cloth slightly moistened in water or a mild detergent solution. Do not use alcohol, benzine or thinner.

To clean the plugs

If the plugs become dirty, there is no audio or noise is heard. Clean them with a dry soft cloth periodically.

Troubleshooting

Should any problem persist after you have made these checks. consult your nearest Sony dealer
